Projects must be in the UK, Isle of Man or Channel Islands and must have reached practical completion by the Summer of the year of submission.

For the purpose of the Awards, the term 'Georgian' refers to the long eighteenth century from 1660 to 1840.

Please indicate which award category/ies you would like to be considered for. The judging panel may consider projects which fall outside the award categories (see opposite).

Deadline for entries is 1 May

The award categories are:

- Restoration of a Georgian Country House
- Restoration of a Georgian Interior
- Restoration of a Georgian Building in an Urban Setting
- Reuse of a Georgian Building
- Restoration of a Georgian Garden or Landscape
- New Building in the Spirit of the Georgian Era
- Giles Worsley Award for a New Building in a Georgian Context

Please make sure you include the following with your entry

- ❖ A location map max A4, to enable the judges to find the site from a main road without difficulty.
- ❖ Six or more colour photographs of the completed scheme. These must be of good quality and of reasonable size. For restoration schemes, at least four must be 'before and after' shots.

The judging panel may see fit to request further documents in support of your application as required.

Please return completed forms and supporting information to rachel@georgiangroup.org.uk. Large files should be sent by WeTransfer or a similar file sharing service.

Please include copyright details of each photograph in the file name. By returning this form you give permission for your images to be used in any publicity for the awards. Please notify us if you do not wish them to be used in this way.
